To whom it may concern

We at Beth Jacob Grammar School- NW are deeply indebted to the חזון programme led by our esteemed Rabbi Silkin שליט"א .  
Rabbi Silkin שליט"א has proven himself to have mastered the transmittance of השקפת based דרך התורה והמסורה, דרך אבותינו מלפנים to our present generation, our תלמידות and our מורות.

Our staff has already begun studying the חזון programme under his guidance and are sincerely looking forward to continuing with חזון this forthcoming school year בעז"ה.

Our graduating year 12 participate in an annual trip to Poland under the guidance of Rabbi Silkin שליט"א and Rabbi Roodyn שליט"א .  
They return deeply inspired with commitments which they take with them in to their future.

The חזון programme addresses our questioning youth of today without dwelling on the questions but zoning and clarifying the right השקפות and ידיעות thereby quietening the nagging doubts we frequently encounter in our Youth.

We wish Rabbi Silkin continued הצלחה in all his עבודת הקודש.

בכבוד רב

Yours Sincerely

Mrs M. Gluck  
Head Teacher
