Dear Rabbi Silkin, שליט"א

Even though it is only several months since you introduced 'Chazon' to the Manchester community, nevertheless, the impression made is recognised in the town as a whole and especially amongst the staff and pupils of our school.

The bi-weekly trips that one of your team, Rabbi Y Roodyn שליט"א, makes to Manchester to train staff and inspire pupils on the topic of אמונה are received with great interest and generate clarity and answers to many questions that today's thinking teenagers have.

The שיעורים are clear, presented well and are extremely well prepared.

Thank you for allowing us to benefit from your organisation and I wish you further הצלחה and that your organisation should go מחיל אל חיל.

Yours sincerely

Rabbi R Spitzer
